## Best Fall Cocktails To Try This Season

Let's talk fall cocktails. When I think of fall, I immediately go to crisp, sunny days and sweaters (my favorite!) and all that fall brings with it. Which for a passionate hospitality maven, always includes the flavors of fall in cocktails. Layers of deeper flavors, seasonal fruits and organically produced essences are what we start with when we begin to curate our fall cocktails at Gene & Georgetti. I am including four on my favorites that definitely make fall fabulous.

Gene & Georgetti was founded in 1941 by Gene Michelotti and his partner Alfredo Federighi, who was nicknamed "Georgetti" after a famous Italian cyclist. Located in the heart of River North, Gene & Georgetti is Chicago's oldest and one of its finest steakhouses. Partners Gene and "Georgetti" worked hand in hand to establish the reputation of excellence that is continued through today.
